

BRING YOUR OWN DEVICE PARENT AND STUDENT USER AGREEMENT

In order to extend student learning, students at Newcastle Senior School are given the opportunity to bring their own technology device (eg. iPad, Lamp Device) for use at school. Before permission can be granted, parents and students wishing to participate in this program must agree to the following conditions. Parents are asked to read these conditions carefully before signing and returning this agreement.

Student Responsibilities

1. The student takes responsibility for his or her device. While every effort is made to ensure their security, the school and its staff take no responsibility for loss, theft or damage to the device either at school or in travel to and from school.
2. The student is responsible for the proper care of his or her personal device, including any costs of repair, replacement or any modifications needed to use the device at school.
3. The student is responsible for charging their device prior to bringing it to school. It should be capable of running off its own battery while at school.
4. The student will use the school's wireless network. Use of 3G and 4G wireless connections is not allowed. If your device has a SIM card, parents are required to store the SIM at home.
5. The school recommends that parents enable the 'Find My iPad' application and become familiar with its use. We also recommend that each device is housed in a sturdy case for protection.
6. The student agrees to take their device home each night and will not store the device at school.

Usage

7. When at school, the student should only use their device to access classroom related activities, or for communicative purposes.
8. Students are not to take photos, video or sound recordings of other students and members of staff. They are not allowed to transmit, or post photos, video or sound recordings taken at school without the express permission of the school.
9. The school reserves the right to inspect a student's personal device if there is reason to believe that the student has violated The Department of Education policy or has engaged in other misconduct while using their personal device.

As a parent, I understand that my child will be responsible for abiding by the above conditions.
