

Aboriginal Education – Learning from Home **Activity 19**

I'd like to start by acknowledging the Awabakal People, the traditional custodians of the land on which Senior School learns. I acknowledge their continued connection to land, water and earth.

Online Learning: Read the following story

https://issuu.com/hunterwater/docs/where_s_our_water_-_awabakal?fr=sMGM2ODE0MjE3MTM

Complete the sequencing activity below

<p>1. The kookaburra notices the water is low and goes to ask the turtle why.</p>	
<p>2. Biraban asks to help, to find the water</p>	
<p>3. Goanna says that he will plan to teach the children to care for water</p>	
<p>4. They tell the story of Tiddalick and his greed</p>	
<p>5. The children meet the animals in the bush</p>	
<p>6. They promise to use less water</p>
