

Self Portrait

Equipment:

- Portrait template (included) or blank paper
- Pencils, markers or crayons
- Mirror or photo of self or “selfie” view on phone/tablet

Instructions:

- Look at yourself using mirror/photo/device
 - Can you point to your eyes, eyebrows, nose, mouth, ears, hair?
 - What colour are they?
 - Where are they?
 - How many are there?
- Draw yourself on the template or paper
- Does it look like you?

Ideas:

- Make portraits of other people
- Cut out your portrait and attach it to a ruler or paper plate to use as a mask - act out a play or conversation
- Instead of drawing your portrait, find facial features in magazines or newspapers and make a portrait
- Use craft, recycle or nature items and make a self portrait collage
