

Origami

Equipment:

- Coloured paper
- Scissors
- Pencils, markers or crayons
- Tape or glue
- Phone, tablet, laptop or PC to access internet

Instructions:

- Follow the link or Google “Art for Kids Hub Origami”:
<https://www.artforkidshub.com/origami/>
- Select the origami project you’d like to make – something easy to start with is the Accordion Snake
- Click on the video and follow the instructions to make your project – you might want to watch the whole video before starting, then watch it through again when you are ready to start, pausing between each step.

Ideas:

- Take a picture of your origami and send it to the Newcastle Senior School Facebook page or your teacher
- Try some of the other origami projects
- Find out where origami started
