

How to Draw

Equipment:

- Paper
- Pencils, markers or crayons
- Phone, tablet, laptop or PC to access internet

Instructions:

- Follow the link or Google “Art for Kids Hub How to Draw”:
<https://www.artforkidshub.com/how-to-draw/>
- Select the drawing project you’d like to do – try an easy one first
- Click on the video and follow the instructions to make your project – you might want to watch the whole video before starting, then watch it through again when you are ready to start, pausing between each step.

Ideas:

- Find other drawing projects you would like to do – there are lots to choose from!
