

Silhouette Art

Equipment:

- Pencils, markers or crayons
- Plain paper
- Coloured or patterned paper, newspaper (optional)
- Scissors (optional)
- Glue (optional)

Instructions:

- Decide who you are going to draw
- Have them put their face against the paper so their cheek touches it and trace around their head (or have someone trace around yours)
- Colour in the outline with black so it looks like a shadow

Ideas:

- Do one for everyone in the family and create a collection
- Cut out your silhouette and glue it onto coloured or patterned paper
- Do more than one of the same silhouette using different colours/backgrounds
