

Numeracy Stage 5 Lesson: Recognizes Time in Familiar Contexts

Outcome: MALS-20MG

Materials: Worksheet, magazines, glue, scissors

Instructions:

Look at the times of day below. In magazines and brochures, find pictures of different activities people do at the different times of day, and places people go at the different times of day. Cut them out and glue them in the correct column.

Morning 	Day 	Night 

Assessment: Take a photo of the completed sheet and send it in to school.
