

## Nature Collage

### Equipment:

- Cardboard
- Craft glue

### Instructions:

- Look around your yard or garden or go for a walk and collect:
  - Leaves
  - Seeds/pods
  - Flowers
  - Bark
  - Small twigs
  - Sand
  - Small pebbles
- Use your found natural objects to create a collage by gluing pieces onto your cardboard

### Ideas:

- Create a picture or pattern with your natural objects
- Make groups of objects and count how many in each
- Trace or draw around your natural objects
- If you have paint you might like to make prints by brushing paint onto your natural objects and pressing them onto paper
