

## Make a Mobile

### Equipment:

- Plastic coat hanger
- Tissue paper, crepe paper, fabric, ribbons, yarn, string, found objects, small toys, old CDs, beads, buttons
- Paper or cardboard and markers to make shapes or pictures
- Scissors
- Stickytape

### Instructions:

- Cut materials into long strips and tie to hang from coat hanger
- Attach objects or thread beads and buttons using yarn, ribbon or string and tie to the coat hanger
- Hang near an open window or door or outside to catch the breeze and watch it move

### Ideas:

- Theme your mobile:
  - Weather (clouds, sun, wind, raindrops, snowflakes, rainbows)
  - Space (planets, sun, moon, stars)
  - Animals
  - Butterflies or other insects
  - Shapes
- Make it musical by adding small bells or items that tinkle/clatter together
