

5.3 Finds information about and accesses venues and services for leisure activities

Students are to complete this activity to find information about a leisure activity they would like to visit.

For this activity, choose a cinema, bowling alley or restaurant that you would like to attend and fill out this table with assistance where necessary

What is the name of the activity or place you have chosen?

-

What is the address of the activity or place you have chosen?

-

What is the phone number for the activity or place?

-

What time is the activity starting or when does the place open?

-

How are you going to get to the activity or place?

-

How much does the activity cost or can you buy anything at the place?

-
