

Texture Rubbings

Equipment:

- Found objects with texture:
 - Leaves
 - Coins
 - Keys
 - Corrugated cardboard
 - Tread on the bottom of shoes
- Paper
- Pencils or crayons

Instructions:

- Lay one of your items on a hard surface and place your paper over it
- Rub your pencil or crayon firmly across the paper until the texture of your object is revealed
- Repeat with a variety of objects

Ideas:

- Make a design or pattern using rubbings
- Create a nature rubbing using different shapes of leaves
- Make a money rubbing using different coins – do you have coins from a different country to try
- Talk about which objects show the best rubbings – why?
