

## Online Colouring and Patterns

### Equipment:

- Laptop, PC or iPad

### Instructions:

- Go to: [ScrapColoring - Free Online Coloring Pages and Printable Coloring Book](#)
- Choose a picture to colour in
- Select a colour and then the area/s you wish to make that colour
- You can print, save or share (on Facebook) your picture when you are finished!

### Ideas:

- Use the pattern feature to colour in using patterns – choose a colour from the foreground grid and another from the background grid and then select the pattern you want to use
- Try the name feature – enter your name or a word to create a colouring template
- Try the convert feature – upload your own drawing or a photo to colour in
