

## Object Tracing

### Ingredients:

- Paper
- Pencils or markers
- A collection of objects to trace around:
  - Kitchen utensils/containers
  - Jewellery
  - Keys
  - Coins
  - Leaves, twigs, rocks
  - Stationery/office items
  - Toys

### Instructions:

- Place objects on your paper one at a time and trace around them

### Ideas:

- Can you tell what the item is from its outline?
- Colour in your outlines or draw patterns inside them
- Can you trace around: Your hand? Your foot? Your profile? Your body (use chalk on the footpath or a roll of wrapping paper or newspaper sheets taped together)
- Can you use your outline to draw something else?
