

## Online Drawing

### Equipment:

- Laptop, PC or iPad

### Instructions:

- Go to: <https://bomomo.com/>
- Select a drawing tool from the bottom of the drawing space
- Use your mouse to click and drag the circles around the drawing space
- Keep going until you are finished
- Select the save (disk) button to keep your design (you can print it later if you like) or the new (paper) button to start again

### Ideas:

- Try lots of different drawing tools:
  - How do they look?
  - Which one do you like best?
